

# TECH TIP

## Adding the Library Printers to Windows 8 & 10 Computers

- Login to the wireless network on your notebook
- Open Windows Explorer (Windows Key+E)
- In address bar type: [\\om-papercut.med.touro.edu](http://om-papercut.med.touro.edu)
- You'll be prompted to login to the network again – do so
- The available printers will be displayed
- Click on LIB5 or LIB6
- The driver will download and you'll be asked if you trust this printer
- Select install driver
- Then click on the other printer LIB5 or LIB6 and install

If you still have trouble adding printers or printing, please contact IT at [it.tourocom@touro.edu](mailto:it.tourocom@touro.edu) or visit them in room 204.
